

2. Mock "Essay"

Was the geographical location of Mesopotamia or India more beneficial?

OR

Were the lives of women more similar or more different in Mesopotamia and India?

Choose ONE of the two above prompts and

A) write a debatable, specific, historical thesis statement for an essay responding to this prompt (do not write the essay--just the thesis)

B) List four concrete details to support your thesis statement

C) For each detail, write two sentences explaining why it supports your thesis.
